COLONIAL BEDROOMS - PROUD TO BE MADE IN BRITAIN

Colonial Bedrooms are manufactured in a state of the art production facility in the Rossendale Valley in the heartlands of South East Lancashire. For the past seven decades we have grown from what started as a local joinery business into one of the countries leading manufacturers of Bedroom furniture.

Our bedrooms offer the widest range of highly attractive furniture designs to make the most of your bedroom. The extensive and carefully thought out range offers a choice of cabinets in various widths allowing for design where traditionally there has been none, doors are complimented by a range of tasteful handles.

To add that finishing touch we offer a range of internal fitments and accessories for you to create the perfect storage environment.
